

Jan 8 - 2013

Dear :

We want to thank you sincerely
for your efforts in getting to our
home 10-30 and 10-31 and
for your service and use of
your generator.

It wasn't a pleasant
experience but you made it
a bearable one. Thank you
for the clean up of the water
and rug cleanup. Your prompt-
ness is greatly appreciated.

Vance and Helen Poff
