Dear Dave,

I just wanted to take a moment to let you know how pleased I am with the entire process of the waterproofing of my basement.

First, your presentation was very clear and easy to understand. You were kind enough to come back and explain everything again to my brother-in-law, Thank. You.

Your guys Tony and Tom are hardworkers. They are courteous and polite. They did the job in a timely manner and cleaned-up too! They are Superb!

Thank. You and your guys for all your time, information and hard work, And now for my dry basement! I will highly recommend you all.

Thank. You
